

IV. Integrated Research Project Members and Major Job Descriptions:

1. Integrated Research Project Team:

| Member | Name | Affiliated Institution/Department | Title | Major Job Descriptions in the project |
|------------------------|------|-----------------------------------|-------|---------------------------------------|
| Principal Investigator | | | | |
| Co-Investigator 1 | | | | |
| Co-Investigator 2 | | | | |
| Co-Investigator 3 | | | | |
| Co-Investigator 4 | | | | |
| Co-Investigator 5 | | | | |
| ⋮ | | | | |

2. Major Descriptions of the Integrated Research Project:

Please elaborate on the following points:

- (1) Necessity of Integration: Including the overall objectives, the framework for collaboration and division of work, and the relevance and level of integration between the principal investigator and co-investigators.
- (2) Human Resource Coordination: Including the principal investigator's leadership, the professional capabilities of the co-investigators, and their ability of cooperation and coordination.
- (3) Resource Integration: Including the sharing of instruments and equipment needed by the principal investigator and co-investigators, as well as the exchange of relevant research experiences and outcomes.
- (4) Coordination with the applicant organization or other units.
- (5) Expected synergistic effect.
