The Nagamori Foundation is proud to announce the 7th Nagamori Awards

Awards:
Grand Nagamori Award - 5 million yen, Nagamori Award - 2 million yen.

Commendation:
The Nagamori Awards will be given to approximately six people.
The winner of the Grand Nagamori Award will be announced at the commendation ceremony.

Application period:
November 01, 2020 - January 31, 2021

Areas covered:
Technical fields related to motors, actuators and power generators, and their control methods, application technologies, etc.

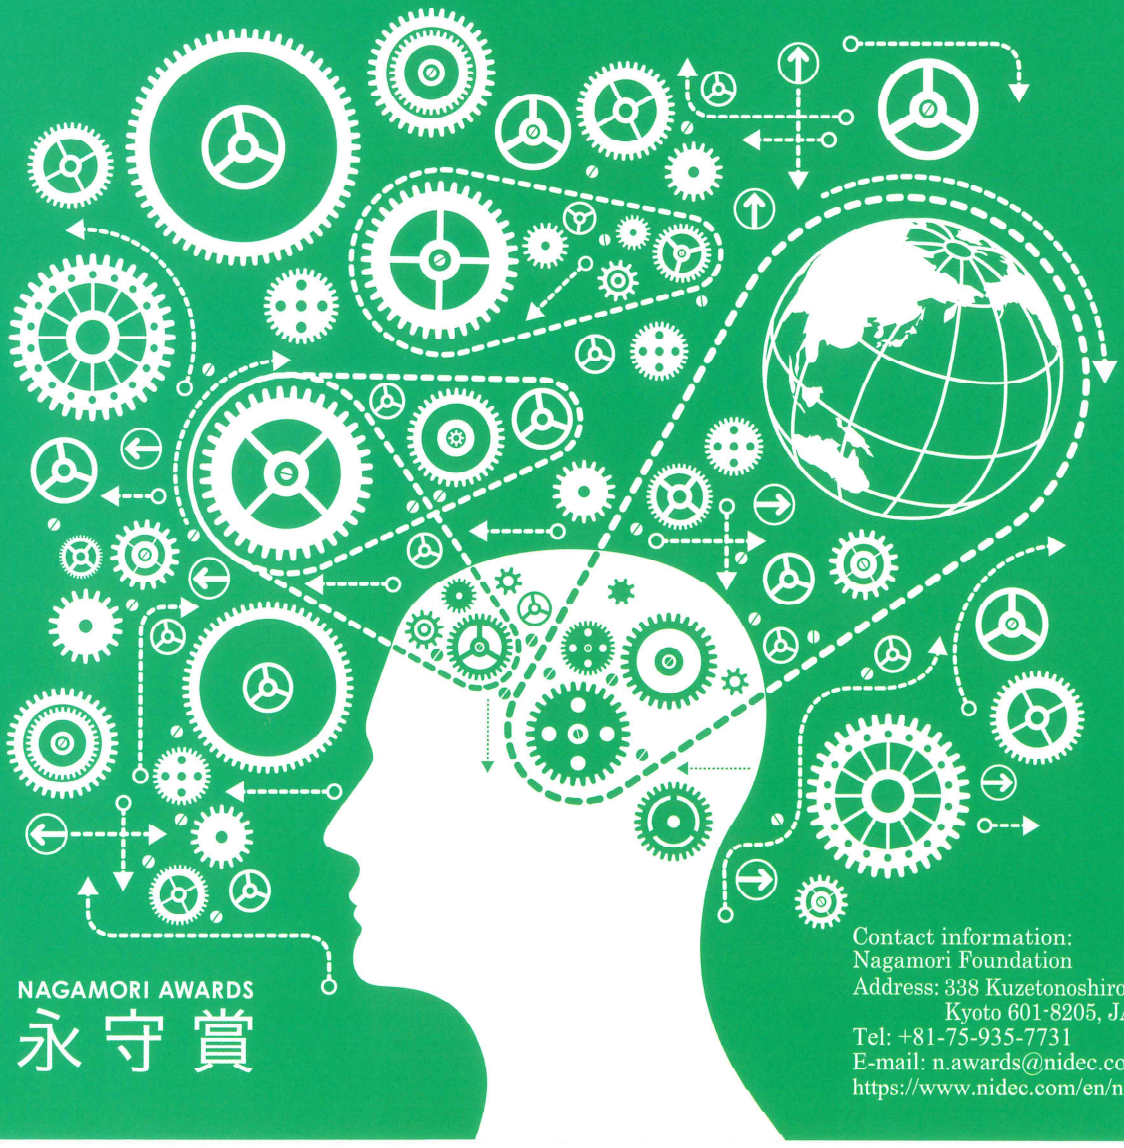

Requirements for application:
Applicants must be entry to mid-career researchers or development engineers who have made an outstanding achievement in the fields covered by the Nagamori Awards.
Entry to mid-career – normally defined as no more than 30 years of research after obtaining the Bachelor's degree.

Conditions to win Nagamori Awards:
Candidates must attend the Awards ceremony to be held on September 05, 2021, give a lecture in English, and submit all the documents requested by the Secretariat (Nagamori Foundation will bear travelling expenses and accommodation fees for the winner and his/her companion to attend the Awards ceremony).
Candidates, regardless of their nationality, domiciles, etc., must be able to communicate in either English or Japanese.

Nomination
Self-nomination and/or nomination from academic institution are accepted.
A recommendation letter by an expert in the field covered by the Awards, or a senior member of your Academic Society, organization, research department, etc. must be submitted.

Announcement of the winners:
Winners of the Awards will be announced on our Foundation' s website, and winners will be notified, in late May 2021.
The Awards ceremony is scheduled to be held on September 05, 2021.

About Nagamori Awards:
Motors are now an indispensable part of our daily lives. It is claimed that motors use 55% of the electricity generated around the world today.This is why the research and development of motors is now a truly significant theme for both creating affluent lives and permanently conserving the global environment. To further promote motor-related technological researches and developments, we will start accepting applications for the 7th Nagamori Awards.
